ENTRY REQUIREMENTS TO THE NORTHERN TERRITORY and EXPLANATORY NOTES (for Sheep Only)

A **NT Health Certificate and Waybill** is required for all of the following species entering the Northern Territory, cattle, buffalo, horses, sheep, goats, deer, camels, alpacas, llamas, and bees.

This **NT Health Certificate and Waybill** is specifically for (sheep only).

For cattle and buffalo use the **NT Health Certificate and Waybill (cattle and buffalo)**

For horses use the **NT Health Certificate and Waybill (horses only)**

For goats use the **NT Health Certificate and Waybill (goats only)**

For deer, camels, alpacas and llamas use the **NT Health Certificate and Waybill (deer, camels, alpacas and llamas)**.

Failure of having a completed NT Health Certificate and Waybill on entry to the Northern Territory is an offence under the *Livestock Act and Regulations* and may incur a penalty or prosecution.

For further information on entry requirements for livestock entering the NT Contact:

Principal Livestock Regulatory Officer (PLRO)
Livestock Biosecurity
Biosecurity & Animal Welfare (BAW)
Department of Industry, Tourism & Trade (DITT)
GPO Box 3000, Darwin NT 0801

Ph: 08 8973 9703 | E-mail: nthealthcertificate@nt.gov.au

On completion of the NT Health Certificate and Waybill a copy MUST be sent to the: Regional Livestock Biosecurity Officer (RLBO) located at the Destination Property – Regional Office or via Email: nthealthcertificate@nt.gov.au

Sections 1, 2, 3, 7, and 8 must be completed for all livestock entering the NT.

Section 9 must be completed by the truck driver of the travelling of livestock.

Sheep – Written permission

Due to the risk of infection with Bluetongue virus, prior approval for entry of sheep into the NT is required by

- Discuss with **Principal Livestock Regulatory Officer (PLRO)** - Ph: 08 8973 9703; and
- completing the *Application to import sheep into the NT* – located at <https://nt.gov.au/industry/agriculture/livestock/sheep-and-goats> and
- complete this NT Health Certificate and Waybill form as best you can
- submit both to ntpic.brands@nt.gov.au

In addition to sections 1, 2, 3, 7, 8 and 9, section 5 and 6 must be completed if the origin property is in Queensland, New South Wales or Western Australia and Section 4 if the origin property is in New South Wales, Victoria, Tasmania and South Australia

Cattle Tick

Goats coming from a property originating in Queensland, New South Wales or Western Australia are required to have a clean inspection and a supervised treatment with an approved chemical prior to entry to the NT, unless from a tick free area.

Sheep coming from a property in the tick free area that neighbors or is geographically connected to a tick infected or infested property requires a clean inspection.

The requirements for entry must have the NT Health Certificate and Waybill certified by an approved inspector from the origins State Department of Agriculture (or equivalent).

No treatment or endorsement by an inspector for cattle tick is required if Sheep originate from South Australia, Victoria or Tasmania.

Johne's Disease (Section 4)
